

# The Den

## Equalities Policy

At The Den we will ensure that we provide a safe and caring environment, free from discrimination, for everyone in our school community including children with additional needs.

To achieve The Den's objective of creating an environment free from discrimination and welcoming to all, The Den will:

- Respect the different racial origins, religions, cultures and languages in a multi-ethnic society so that each child is valued as an individual without racial or gender stereotyping.
- Not discriminate against children on the grounds of disability, sexual orientation, class, family status or HIV/Aids status.
- Help all children to celebrate and express their cultural and religious identity by providing a wide range of appropriate resources and activities.
- Strive to ensure that children feel good about themselves and others, by celebrating the differences which make us all unique individuals.
- Ensure that The Den's services are available to all parents/carers and children in the local community during The Den's holiday scheme if places are available.
- Ensure that The Den's recruitment policies and procedures are open, fair and non-discriminatory.
- Work to fulfil all the legal requirements of the Equality Act 2010.
- We will monitor and review the effectiveness of our inclusive practice by conducting an Inclusion Audit on an annual basis.

### Challenging inappropriate attitudes and practices

We will challenge inappropriate attitudes and practices by engaging children and adults in discussion, by displaying positive images of race and disability, and through our staff modelling anti-discriminatory behaviour at all times.

### Racial harassment

The Club will not tolerate any form of racial harassment. The Club will challenge racist and discriminatory remarks, attitudes and behaviour from the children at the Club, from staff and from any other adults on Club premises (eg parents/carers collecting children).

### Promoting equal opportunities

The Den's Equal Opportunities Named Coordinator is Pauline Barritt is responsible for ensuring that:

- Staff receive relevant and appropriate training.
- The **Equalities policy** is consistent with current legislation and guidance
- Appropriate action is taken wherever discriminatory behaviour, language or attitudes occur.

## Children with additional needs

The Den recognises that some children have additional needs or physical disabilities that require support and assistance. We will assess the individual needs of each child in consultation with their parents prior to them attending The Den and will make reasonable adjustments to ensure that children can access our services and are made to feel welcome.

Where one-to-one support is required we will assist parents in accessing the funding required to provide the additional care.

## Special Educational Needs Co-ordinator

The Den's Special Educational Needs Coordinator (SENCO) is Pauline Barritt. The SENCO will:

- Manage the provision for children with special educational needs or physical disabilities.
- Be fully trained and experienced in the care and assessment of such children.
- Liaise with school.

All members of staff will assist the SENCO in caring for children with additional needs or physical disabilities.
